## Flight Schedule Glossary

**Disc** - Discontinue date that the flight ends service. No discontinue date indicates that the airline has no plans to end the flights service.

**Eff** - Effective date that the flight starts service. No effective date indicates that the flight service has already begun.

**Elapsed** - The elapsed time indicates the total travel time.

**Equip** - Equipment or aircraft designator that uniquely identifies each aircraft type.

**Freq** - Frequency codes designate the days of flight operation. The following codes are used in our schedules:

**D**-Daily **X**-Except **1**-Monday **2**-Tuesday **3**-Wednesday **4**-Thursday **5**-Friday **6**-Saturday **7**-Sunday

### Contract Fare Types:

**YCA** - Non-restricted Government Fares

**XCA** - Restricted Government Fares

**BCA** - Business Class Government Fares

**NOTE 1:** The government contract rates represent one way fares, not roundtrip fares.

**NOTE 2:** When more than one airline name, airline identifier, and flight number appears for a flight this indicates a flight connection.

**NOTE 3:** An asterisk next to a flight number indicates a code share arrangement between two airline carriers.
